SECTION II – INSTRUCTIONS TO TENDERERS

2.1 Eligible Tenderers

- 2.1.1.** This Invitation to tender is open to all tenderers eligible as described in the instructions to tenderers. Successful tenderers shall provide the services for the stipulated duration from the date of commencement (hereinafter referred to as the term) specified in the tender documents.
- 2.1.2.** The mandatory documentation as given under the Appendix to Instructions to Tenderers – clause 2.29 must be submitted as they will be used for confirmation of eligibility of the tenders.
- 2.1.3.** The procuring entity’s employees, committee members, board members and their relative (spouse and children) are not eligible to participate in the tender unless where specially allowed under section 131 of the Act.
- 2.1.4.** Tenderers shall provide the qualification information statement that the tenderer (including all members, of a joint venture and subcontractors) is not associated, or have been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by the Procuring entity to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the services under this Invitation for tenders.
- 2.1.5.** Tenderers involved in corrupt or fraudulent practices or debarred from participating in public procurement shall not be eligible.

2.2 Cost of Tendering

- 2.2.1** The Tenderer shall bear all costs associated with the preparation and submission of its tender, and the procuring entity, will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the tendering process.
- 2.2.2** This tender document is not chargeable and is given to the tenderer selected by the Procuring entity.

2.3.2 The Tenderer is expected to examine all instructions, forms, terms, and specifications in the tender documents. Failure to furnish all information required by the tender documents or to submit a tender not substantially responsive to the tender documents in every respect will be at the tenderers risk and may result in the rejection of its tender.

2.4 Clarification of Tender Documents

2.4.1 A prospective tenderer making inquiries of the tender documents may notify the Procuring entity in writing or by post at the entity's address indicated in the invitation for tenders. The Procuring entity will respond in writing to any request for clarification of the tender documents, which it receives not later than seven (7) days prior to the deadline for the submission of tenders, prescribed by the procuring entity. Written copies of the Procuring entities response (including an explanation of the query but without identifying the source of inquiry) will be sent to all prospective tenderers that have received the tender document.

2.4.2 The procuring entity shall reply to any clarifications sought by the tenderer within 3 days of receiving the request to enable the tenderer to make timely submission of its tender.

2.5 Amendment of Tender Documents

2.5.1 At any time prior to the deadline for submission of tender, the procuring entity, for any reason, whether at its own initiative or in response to a clarification requested by a prospective tenderer, may modify the tender documents by issuing an addendum.

2.5.2 All prospective tenderers that have obtained the tender documents will be notified of the amendment in writing or by post and will be binding on them.

2.5.3 In order to allow prospective tenderers reasonable time in which to take the amendment into account in preparing their tenders, the Procuring entity, at its discretion, may extend the deadline for the submission of tenders.

2.6 Language of Tender

- 2.6.1** The tender prepared by the tenderer, as well as all correspondence and documents relating to the tender exchange by the tenderer and the Procuring entity, shall be written in English language, provided that any printed literature furnished by the tenderer may be written in another language provided they are accompanied by an accurate English translation of the relevant passages in which case, for purposes of interpretation of the tender, the English translation shall govern.

2.7 Documents Comprising the Tender

- 2.7.1** The tender prepared by the tenderers shall comprise the following components.
- a) A Tender Form and a Price Schedule completed in accordance with clauses 2.8, 2.9 and 2.10 below.

- 2.8.1** The tenderer shall complete the Form of Tender and the appropriate Price Schedule furnished in the tender documents, indicating the equipment to be supplied, installed and commissioned and a brief description of the equipment, their country of origin, quantity, and prices.

2.9 Tender Prices

- 2.9.1** The tenderer shall indicate on the Price schedule the unit prices where applicable and total tender prices of the services it proposes to provide under the contract.
- 2.9.2** Prices indicated on the Price Schedule shall be the cost of the services quoted including all customs duties and VAT and other taxes payable.
- 2.9.3** Prices quoted by the tenderer shall remain fixed during the term of the contract unless otherwise agreed by the parties. A tender submitted with an adjustable price quotation will be treated as non-responsive and will be rejected, pursuant to clause 2.22.
- 2.9.4** Contract price variations shall not be allowed for contracts not exceeding one year (12 months)

2.9.5 Where contract price variation is allowed, the variation shall not exceed 10% of the original contract price.

2.9.6 Price variation requests shall be processed by the procuring entity within 30 days of receiving the request.

2.10 Tender Currencies

2.10.1 Prices shall be quoted in the either in Kenya Shillings or which will be converted to Kenya Shillings according to Clause 2.23.

2.11 Tenderers Eligibility and Qualifications

2.11.1 Pursuant to Clause 2.1 the tenderer shall furnish, as part of its tender, documents establishing the tenderers eligibility to tender and its qualifications to perform the contract if its tender is accepted.

2.11.2 The documentary evidence of the tenderers qualifications to perform the contract if its tender is accepted shall establish to the Procuring entity's satisfaction that the tenderer has the financial and technical capability necessary to perform the contract.

2.12 Tender Security

2.12.1 The tenderer shall furnish, as part of its tender, a tender security for the amount and form specified in the instruction to tender.

2.12.2 The tender security shall be as indicated in the appendix to instruction to tenders.

2.12.3 The tender security is required to protect the Procuring entity against the risk of Tenderer's conduct which would warrant the security's forfeiture, pursuant to clause 2.12.7.

2.12.4 The tender security shall be denominated in a Kenya Shillings or in another freely convertible currency and shall be in the form of:

- a) A bank guarantee.
- b) Cash.
- c) Such insurance guarantee approved by the Authority.

2.12.5 Any tender not secured in accordance with clause 2.12.1 and 2.12.3 will be rejected by the Procuring entity as non-responsive, pursuant to clause 2.20.

2.12.6 Unsuccessful tenderer's security will be discharged or returned as promptly as possible as but not later than thirty (30) days after the expiration of the period of tender validity prescribed by the procuring entity.

2.12.7 The successful tenderer's tender security will be discharged upon the tenderer signing the contract, pursuant to clause 2.26, and furnishing the performance security, pursuant to clause 2.27.

2.12.8 The tender security May be forfeited:

- a) If a tenderer **withdraws** its tender **during** the period of tender validity specified by the procuring entity on the Tender Form; or
- b) In the case of a successful tenderer, if the tenderer fails:
 - i) to sign the contract in accordance with clause 2.26; **or**
 - ii) to furnish performance security in accordance with clause 2.27.
- c) If the tenderer rejects, correction of an error in the tender.

2.13 Validity of Tender

2.13.1 The tender shall remain valid for 120 days or as specified in the tender documents after date of tender opening prescribed by the Procuring entity, pursuant to clause 2.20. A tender valid for a shorter period shall be rejected by the Procuring entity as non responsive.

2.13.2 In exceptional circumstances, the Procuring entity may solicit the Tenderer's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing. The tender security provided under clause 2.14 shall also be suitably extended. A tenderer may refuse the request without forfeiting its tender security. A tenderer granting the request will not be required nor permitted to modify its tender.

2.14 Format and Signing of Tender

2.14.1 The tenderer shall prepare two copies of the tender, clearly marking each "ORIGINAL TENDER" and "COPY OF TENDER," as appropriate. In the event of any discrepancy between them, the original shall govern.

2.14.2 The original and all copies of the tender shall be typed or written in indelible ink and shall be signed by the tenderer or a person or persons duly authorized to bind the tenderer to the contract. All pages of the tender, except for un amended printed literature, shall be initialed by the person or persons signing the tender.

2.14.3 The tender shall have no interlineations, erasures, or overwriting except as necessary to correct errors made by the tenderer, in which case such corrections shall be initialed by the person or persons signing the tender.

2.14.4 Payment terms

The payment terms for this tender are for a credit period of thirty (30) days from the date when monthly invoices have been received at CGM, and after confirmation of satisfactory receipt of services. The tenderer should clearly indicate the payment terms in their proposal if different.

2.14.5 The original and all copies of the tender shall be typed or written in indelible ink and shall be signed by the tenderer or a person(s) duly authorized to bind the tenderer to the contract. All pages of the tender, except for unamended printed literature, shall be initialed by the person(s) signing the tender.

2.14.6 The tender shall have no interlineations, erasures, or overwriting except as necessary to correct errors made by the tenderer, in which case such corrections shall be initialed by the person(s) signing the tender.

2.15 Sealing and Marking of Tenders

2.15.1 The tenderer shall seal the original and each copy of the tender in separate envelopes, duly marking the envelopes as “ORIGINAL” and “COPY.” The envelopes shall then be sealed in an outer envelope.

The inner and outer envelopes shall:

- a) be addressed to the Procuring entity at the address given in the invitation to tender;
- b) bear, tender number and name in the invitation to tender and the words: **“DO NOT OPEN BEFORE** date and time indicated in the invitation to tenderers.

2.15.2 The inner envelopes shall also indicate the name and address of the tenderer to enable the tender to be returned unopened in case it is declared “late”.

2.15.3 If the outer envelope is not sealed and marked as required by clause 2.15.2, the Procuring entity will assume no responsibility for the tender’s misplacement or premature opening.

2.15.4 Deadline for Submission of Tenders

2.15.5 Tenders must be received by the Procuring entity at the address specified in the Invitation to Tender no later than, date and time indicated in the invitation to tenderers.

2.15.6 The procuring entity may, at its discretion, extend this deadline for the submission of tenders by amending the tender documents in accordance with clause 2.5, in which case all rights and obligations of the procuring entity and candidates previously subject to the deadline will thereafter be subject to the deadline as extended.

2.15.7 Bulky tenders which will not fit in the tender box shall be received by the procuring entity as provided for in the appendix.

2.16 Modification and withdrawal of tenders

2.16.1 The tenderer may modify or withdraw its tender after the tender's submission, provided that written notice of the modification, including substitution or withdrawal of the tender's is received by the procuring entity prior to the deadline prescribed for the submission of tenders.

2.16.2 The Tenderer's modification or withdrawal notice shall be prepared, sealed, marked, and dispatched in accordance with the provisions of clause 2.15. A withdrawal notice may also be sent by cable, but followed by a signed confirmation copy, postmarked not later than the deadline for submission of tenders.

2.16.3 No tender may be modified after the deadline for submission of tenders.

2.16.4 No tender may be withdrawn in the interval between the deadline for submission of tenders and the expiration of the period of tender validity specified by the tenderer on the Tender Form. Withdrawal of a tender during this interval may result in the Tenderer's forfeiture of its tender security, pursuant to clause 2.12.7.

2.16.5 The procuring entity may at any time terminate procurement proceedings before contract award and shall not be liable to any person for the termination.

2.16.6 The procuring entity shall give prompt notice of the termination to the tenderers and on request give its reasons for termination within 14 days of receiving the request from any tenderer.

2.17 Opening of Tenders

2.17.1 The Procuring entity will open all tenders in the presence of tenderers' representatives who choose to attend in the location specified in the invitation to tender. The tenderers' representatives who are present shall sign a register evidencing their attendance.

2.17.2 The tenderers' names, tender modifications or withdrawals, tender prices, discounts, and the presence or absence of requisite tender security and such other details as the Procuring Entity, at its discretion, may consider appropriate, will be announced at the opening.

2.17.3 The procuring entity will prepare minutes of the tender opening which will be submitted to the tenderers that signed the tender opening register and will have made the request.

2.18 Clarification of tenders

- 2.18.1** To assist in the examination, evaluation and comparison of tenders the procuring entity may at its discretion, ask the tenderer for a clarification of its tender. The request for clarification and the response shall be in writing, and no change in the prices or substance shall be sought, offered, or permitted.
- 2.18.2** Any effort by the tenderer to influence the procuring entity in the procuring entity's tender evaluation, tender comparison or contract award decisions may result in the rejection of the tenderers tender.
- 2.18.3** Comparison or contract award decisions may result in the rejection of the tenderers' tender.

2.19 Preliminary Examination and Responsiveness

- 2.19.1** The Procuring entity will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether required securities have been furnished whether the documents have been properly signed, and whether the tenders are generally in order.
- 2.19.2** Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected. If the candidate does not accept the correction of the errors, its tender will be rejected, and its tender security may be forfeited. If there is a discrepancy between words and figures, the amount in words will prevail.
- 2.19.3** The Procuring entity may waive any minor informality or nonconformity or irregularity in a tender which does not constitute material deviation, provided such waiver does not prejudice or affect the relative ranking of any tenderer.
- 2.19.4** Prior to the detailed evaluation, pursuant to clause 2.22, the Procuring entity will determine the substantial responsiveness of each tender to the tender documents. For purposes of these clauses, a substantially responsive tender is one which conforms to all the terms and conditions of the tender documents without material deviations. The Procuring entity's determination of a tender's responsiveness is to be based on the contents of the tender itself without recourse to extrinsic evidence.
- 2.19.5** If a tender is not substantially responsive, it will be rejected by the Procuring entity and may not subsequently be made responsive by the tenderer by correction of the nonconformity.
- 2.19.6 Conversion to a single currency**
- 2.19.7** Where other currencies are used, the procuring entity will convert those currencies to Kenya shillings using the selling exchange rate on the date of tender closing provided by the Central Bank of Kenya.

2.20 Evaluation and comparison of tenders

2.20.1 The procuring entity will evaluate and compare the tenders which have been determined to be substantially responsive, pursuant to clause 2.20.

2.20.2 The comparison shall be of the price including all costs as well as duties and taxes payable on all the materials to be used in the provision of the services.

2.20.3 The Procuring entity's evaluation of a tender will take into account, in addition to the tender price, the following factors, in the manner and to the extent indicated in clause 2.22.4 and in the technical specifications:

- a) operational plan proposed in the tender; and
- b) deviations in payment schedule from that specified in the Special Conditions of Contract;

2.20.4 Pursuant to clause 2.22.3 the following evaluation methods will be applied:

- a) ***Operational Plan.***
The Procuring entity requires that the services under the Invitation for Tenders shall be performed at the time specified in the Schedule of Requirements. Tenderers offering to perform longer than the procuring entity's required delivery time will be treated as non-responsive and rejected.

- b) ***Deviation in payment schedule.***

Tenderers shall state their tender price for the payment on a schedule outlined in the special conditions of contract. Tenders will be evaluated on the basis of this base price. Tenderers are, however, permitted to state an alternative payment schedule and indicate the reduction in tender price they wish to offer for such alternative payment schedule. The Procuring entity may consider the alternative payment schedule offered by the selected tenderer.

2.20.5 The tender evaluation committee shall evaluate the tender within 30 days from the date of opening the tender.

2.20.6 To qualify for contract awards, the tenderer shall have the following:-

- a) Pass the preliminary evaluation having submitted all the mandatory documentation
- b) Score the minimum technical evaluation score as given in the evaluation criteria under the appendix to instructions to tenderers – clause 2.29.
- c) Necessary qualifications, capability experience, services, equipment and facilities to provide what is being procured.
- d) Legal capacity to enter into a contract for procurement
- e) Shall not be insolvent, in receivership, bankrupt or in the process of being wound up and is not the subject of legal proceedings relating to the foregoing

- f) Shall not be debarred from participating in public procurement.

2.21 Contacting the procuring entity

- 2.21.1** Subject to clause 2.19, no tenderer shall contact the procuring entity on any matter relating to its tender, from the time of the tender opening to the time the contract is awarded.
- 2.21.2** Any effort by a tenderer to influence the procuring entity in its decisions on tender evaluation tender comparison or contract award may result in the rejection of the tenderers tender.

2.22 Award of Contract

a) Post qualification

- 2.22.1** In the absence of pre-qualification, the Procuring entity will determine to its satisfaction whether the tenderer that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.
- 2.22.2** The determination will take into account the tenderer's financial and technical capabilities. It will be based upon an examination of the documentary evidence of the tenderers qualifications submitted by the tenderer, pursuant to clause 2.1.2, as well as such other information as the Procuring entity deems necessary and appropriate.
- 2.22.3** An affirmative determination will be a prerequisite for award of the contract to the tenderer. A negative determination will result in rejection of the Tenderer's tender, in which event the Procuring entity will proceed to the next lowest evaluated tender to make a similar determination of that Tenderer's capabilities to perform satisfactorily.

b) Award Criteria

- 2.22.4** Subject to clause 2.27 the Procuring entity will award the contract to the successful tenderer whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the tenderer is determined to be qualified to perform the contract satisfactorily.
- 2.22.5** The procuring entity reserves the right to accept or reject any tender and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected tenderer or tenderers or any obligation to inform the affected tenderer or tenderers of the grounds for the procuring entity's action. If the procuring entity determines that none of the tenderers is responsive; the procuring entity shall notify each tenderer who submitted a tender.

2.22.6 A tenderer who gives false information in the tender document about its qualification or who refuses to enter into a contract after notification of contract award shall be considered for debarment from participating in future public procurement.

2.23 Notification of award

2.23.1 Prior to the expiration of the period of tender validity, the Procuring entity will notify the successful tenderer in writing that its tender has been accepted.

2.23.2 The notification of award will signify the formation of the Contract subject to the signing of the contract between the tenderer and the procuring entity pursuant to clause 2.26. Simultaneously the other tenderers shall be notified that their tenders have not been successful.

2.23.3 Upon the successful Tenderer's furnishing of the performance security pursuant to clause 2.27, the Procuring entity will promptly notify each unsuccessful Tenderer and will discharge its tender security, pursuant to clause 2.12.

2.24 Signing of Contract

2.24.1 At the same time as the Procuring entity notifies the successful tenderer that its tender has been accepted, the Procuring entity will simultaneously inform the other tenderers that their tenders have not been successful.

2.24.2 Within fourteen (14) days of receipt of the Contract Form, the successful tenderer shall sign and date the contract and return it to the Procuring entity.

2.24.3 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.

2.25 Performance Security

2.25.1 Within fourteen (14) days of the receipt of notification of award from the Procuring entity, the successful tenderer shall furnish the performance security in accordance with the Conditions of Contract, in the Performance Security Form provided in the tender documents, or in another form acceptable to the Procuring entity.

2.25.2 Failure of the successful tenderer to comply with the requirement of clause 2.26 or clause 2.27.1 shall constitute sufficient grounds for the annulment of the award and forfeiture of the tender security, in which event the Procuring entity May make the award to the next lowest evaluated or call for new tenders.

2.26 Corrupt or Fraudulent Practices

- 2.26.1** The Procuring entity requires that tenderers observe the highest standard of ethics during the procurement process and execution of contracts. A tenderer shall sign a declaration that he has not and will not be involved in corrupt or fraudulent practices.
- 2.26.2** The procuring entity will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;
- 2.26.3** Further, a tenderer who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in public procurement in Kenya.

3.17 Resolution of disputes

The procuring entity's and the contractor shall make every effort to resolve amicably by direct informal negotiations any disagreement or dispute arising between them under or in connection with the contract.

If after thirty (30) days from the commencement of such informal negotiations both parties have been unable to resolve amicably a contract dispute either party may require that the dispute be referred for resolution to the formal mechanisms specified in the SCC.

3.18 Governing language

The contract shall be written in the English language. All correspondence and other documents pertaining to the contract, which are exchanged by the parties, shall be written in the same language.

3.19 Force Majeure

The contractor shall not be liable for forfeiture of its performance security, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

3.20 Applicable law

The contract shall be interpreted in accordance with the laws of Kenya unless otherwise specified in the SCC.

3.21 Notices

Any notices given by one party to the other pursuant to this contract shall be sent to the other party by post or by fax or E-mail and confirmed in writing to the other party's address specified in the SCC.

A notice shall be effective when delivered or on the notices effective date, whichever is later.

3.22 Confidentiality

- i) "Confidential Information" shall, for the purposes of this Agreement, include without limitation any financial, strategic, technical, commercial, geological and scientific information, know-how, trade secrets and data in whatever form, communicated to the Tenderer or acquired by the CGM during the course of the tenderer carrying out his duties as contemplated in this Agreement.
- ii) The Tenderer agrees that he will not, during the course of carrying out his duties as contemplated in this Agreement or thereafter into perpetuity, disclose the Confidential Information to any third party for any reason or purpose whatsoever without the prior written consent of the CGM, save in accordance with the provisions of this Agreement.
- iii) The Tenderer agrees not to utilize, exploit or in any other manner whatsoever use the Confidential Information disclosed pursuant to the provisions of this

Agreement and the terms of any subsequent Agreement made by parties, for any purpose whatsoever without the prior written consent of the CGM.

- iv) The Tenderer undertakes not to use the Confidential Information for any purpose other than that for which it is disclosed; and in accordance with the provisions of this Agreement and any subsequent Agreement made by parties.
- v) The Tenderer shall be held liable for disclosing confidential information unless he proves that:
 - a) Such information and data was in the public domain prior to such disclosure;
 - b) Such information and data has become part of the public domain through no fault of the Tenderer; or
 - c) Such disclosure was required by any written Kenyan law.

3.23 Corrupt gifts and payments of commission

- i) The Client is an institution that fosters zero tolerance to fraud and corruption. The Tenderer hereby agrees to avoid fraud and corruption and to report any suspected fraud, corruption, or any activity that jeopardizes the integrity of the Client and its staff to its – Corruption Prevention and Integrity Committee (COPIC).
- ii) The Tenderer shall not;
 - a) Offer or give or agree to give to any person in the service of the Client any gift or consideration of any kind as an inducement or reward for doing or forbearing to do or for having done or forborne to do any act in relation to the obtaining or execution of this or any other Contract with the Client or for showing or forbearing to show favour or disfavour to any person in relation to this or any other contract with the Client.
 - b) Enter into this or any other contract with the Client in connection with which commission or consideration has been paid or agreed to be paid by it or on his behalf or to his knowledge, unless before the Contract is made particulars of any such commission or consideration and of the terms and conditions of any agreement for the payment thereof have been disclosed in writing by the Client.

Any breach of this Condition by the Tenderer or by anyone employed by him or acting on his behalf (whether with or without the knowledge of the Tenderer) shall be an offence under the provisions of the Public Procurement and Disposal Act 2015 issued under The Exchequer and Audit Act Cap 412 of the Laws of Kenya, Anti-corruption & Economic Crimes Act (2003), Public officer Ethics Act (2003), Government Financial Management Act 2004, and the Performance Contract with the Government.

3.24 Expiration of contract

Unless terminated earlier pursuant to Clause, this Contract shall terminate on after satisfactory completion of services and submission of a report by the Tenderer as required by this contract.

SPECIAL IV – SPECIAL CONDITIONS OF CONTRACT

- 4.1 Special Conditions of Contract shall supplement the General Conditions of Contract. Whenever there is a conflict, between the GCC and the SCC, the provisions of the SCC herein shall prevail over these in the GCC.
